WAVE FOUNDATION
Together for Better Life

PROFILE

BACKGROUND

WAVE Foundation is a Civil Society Organization, established in 1990. WAVE is dedicated to its motto 'Together for Better Life' towards the vision of establishing 'A Just and Prosperous Society'. Since its inception, the organization has been implementing a wide range of activities to promote socio-economic development for poor and marginalized communities. WAVE also advocates for universal human rights and good governance through issue-based campaigns.

The organization has structured its activities under Seven major programs, which include 1. Poverty Eradication and Livelihood Development, 2. Community Financing and Entrepreneurship Development, 3. Agri-food System Transformation, 4. Governance, Rights and Justice, 5. Social Development and Youth Empowerment, 6. Climate Justice and Renewable Energy Promotion and 7. Go Green.

WAVE has impacted over 17.5 million households, making it a pivotal force in the development sector. All of its initiatives and multifaceted approaches have been instrumental in empowering communities and providing access to resources, leading to transformative change, inspiration, hope, and progress. Its contributions have played a crucial role in realizing the country's development plan and achieving the Sustainable Development Goals. WAVE is committed to driving positive change and impacting the lives of those it serves.

VISION

A Just and Prosperous Society

MISSION

Our mission is to promote the rights and entitlement of the people, thus all our interventions aim to unfold opportunities and potentials towards achieving quality lives for the people through inclusive and sustainable livelihood, governance, climate justice, and social change.

VALUES

- **Integrity:** We demonstrate our integrity through our commitment, honesty, and work.
- **Accountability:** We demonstrate accountability and fairness by abiding rules and policies at work.
- **Innovation:** We apply creative and innovative solutions to foster adaptability, competitiveness, and resilience.
- **Frugality:** We are careful to use resources only as much as is necessary.

STRATEGIC GOALS

- Sustainable Livelihood
- Democratic Governance
- Social Change
- Climate Justice

STRATEGIC FRAMEWORK

Programs	Objectives
Poverty eradication and livelihood development	Strengthen the livelihood of the marginalized and poor population.
Community financing and entrepreneurship development	Enhance the socio-economic condition of the poor and middle-class population through financing and developing entrepreneurial skills among the potential.
Agri-food system transformation	Transform the agri-food system by strengthening small and family farming approaches and developing agri-entrepreneurship.
Governance, rights and justice	Promote people's participation in governance, democratic decentralization, accountability of public services, economic governance, human rights, access to justice, and absolute tolerance of diverse opinions in politics.
Social development and youth empowerment	Foster a social transformation process through social movements on the rights to health and education, gender justice, building social harmony and peace, and environmental development, by engaging citizens. Inclusion of youths in the process of social transformation and empowering them with social responsibility, leadership, skills, and employment.
Climate Justice and Renewable Energy Promotion	Take actions/initiatives and awareness building at all levels of the state and society to prevent climate change and environmental disasters and increase the use of renewable energy.
Go Green	Promote a green lifestyle through Agroecology and Safe Food; Climate Action and Addressing Pollution; and Safe Water, Hygienic Sanitation and Personal Hygiene/WASH.
