

YOUTH ASSEMBLY

Youth Assembly (YA) is a youth-led platform founded in 2015 that aims to empower young people and create a stronger community. The Assembly promotes youth rights and development in the area of education, skill, and employment as well as facilitates their active participation in overall social development. It brings youths in a common space to broaden their views and values towards the positive actions and changes. This space includes both physical and virtual platforms for leveraging youths with the advants of learning from each other and fueling their actions.
